# We are waiting for you at AISTECH EXPO PITTSBURGH

May 6-9, 2019 at AIC's Booth 1737

**AIC at AISTech** - The Iron & Steel Technology Conference and  
Exposition  
Pittsburgh - May 6-9, 2019

Dear Customer,

We would like to make you aware of the participation of Automazioni Industriali Capitanio to AISTech Expo 2019, taking place from 6<sup>th</sup> to 9<sup>th</sup> May in Pittsburgh (Pa., USA), at David L. Lawrence Convention Center. This event features technologies from all over the world and represents a unique opportunity for companies to compete with the most important actors of the steel global market. With more than 500 exhibitors and 550 technical presentations, companies will have the possibility to expand their network of customers and obtain information about the latest innovations.

AIC is giving a presentation titled "Robotic Tagging Applications" May 7th, from 2.30 to 3.00 pm, room 308.
