

Current operating activities of AIC

We would like to thank all customers and suppliers all around the world for supporting us in these extraordinary times. Together, we will continue to do our best to overcome new circumstances and achieve new goals.

According to the Decree of the President of the Council of Ministers (DPCM), Automazioni Industriali Capitanio has suspended operations in the workshop. Currently, none of the employees at AIC have tested positive for COVID-19. The health and safety of our employees, customers and partners remains the company's number one priority and we are working hard to assess and mitigate any risks.

Thanks to previously implemented precautionary measures, our team remains available to provide high-quality services and expertise.

- In Italy, almost all our employees work remotely from home with the ability to support all customers around the world.
- Our international offices are fully in service. Moreover, we have service engineers based in India, USA, Brazil, Middle East and Europe (Italy, Spain, Germany).

We are constantly monitoring the situation and open for any clarification. In case of any questions or requests, we are ready to answer all your inquiries by phone **+39 0365 826333** or email **aic@aicnet.it** .

Thank you for your patience and understanding. Wishing everyone stays safe and healthy.

AIC is a global system integrator providing advanced and tailored automation and robotic solutions for the steel industry, with the aim to continuously improve both efficiency, competitiveness and safety of the production processes. With more than 1000 applications worldwide and more than 40 years of history, AIC can boast a unique experience in both greenfield and revamping projects in meltshops and long products rolling mills.

Attuali attività operative di AIC

Vogliamo ringraziare tutti i nostri clienti e fornitori di tutto il mondo per esserci vicini e supportarci in questo periodo straordinario. Insieme continueremo a fare quanto necessario per affrontare e superare le nuove sfide e raggiungere nuovi obiettivi.

In ottemperanza al decreto del Presidente del Consiglio dei Ministri Italiano (DPCM), Automazioni Industriali Capitanio ha sospeso tutte le attività di officina. La salute e la sicurezza dei nostri dipendenti, clienti e partner rimane la priorità principale dell'azienda e stiamo lavorando duramente per mitigare qualsiasi rischio. Ad oggi, nessuno dei dipendenti di AIC è risultato positivo al COVID-19.

Grazie alle misure precauzionali implementate precedentemente, la nostra squadra rimane completamente disponibile per fornire servizi e competenze di alta qualità.

- In Italia tutti i nostri dipendenti lavorano a distanza da casa con la possibilità di supportare i clienti di tutto il mondo.
- I nostri uffici internazionali sono aperti e i tecnici con sede in India, Stati Uniti, Brasile, Medio Oriente ed Europa (Italia, Spagna, Germania) restano operativi.

Stiamo monitorando costantemente la situazione e restiamo disponibili per qualsiasi chiarimento.

Nel caso ci siano domande o richieste, siamo pronti a rispondere a tutti i vostri dubbi sia via telefonica al numero **+39 0365 826333**, sia via e-mail al seguente indirizzo: **aic@aicnet.it**.

Grati per la vostra collaborazione, siamo certi di superare assieme questo momento critico.

Situación de las actividades del Grupo AIC

Desde AIC queremos agradecer a nuestros clientes, proveedores y empleados su apoyo en este período difícil e incierto. Estamos seguros de que, a pesar de las limitaciones provocadas por esta nueva realidad, juntos haremos todo lo posible para alcanzar metas y desafíos.

Según un decreto del Presidente del Consejo de Ministros (DPCM), AIC Automazioni Industriali Capitanio suspendió las actividades de su fábrica en Brescia, Italia. Hasta ahora ninguno de nuestros empleados se ha infectado con COVID 19. La salud de nuestros empleados, clientes y suministradores siempre será nuestra prioridad, seguiremos trabajando duro para mitigar los posibles riesgos de contaminación.

Gracias a las medidas de precaución implementadas anteriormente, nuestro equipo sigue estando disponible para proporcionar servicios y experiencia de alta calidad.

- Casi todos nuestros empleados en Italia están trabajando remotamente desde sus hogares, ofrecemos herramientas de software para poder servir a nuestros clientes en todo el mundo de forma remota, pero con la máxima eficiencia posible en este momento
- Nuestras unidades en India, Brasil, Estados Unidos, Asia y Europa (Italia, España y Alemania) están disponibles para satisfacer las necesidades de todos nuestros clientes.

Estamos constantemente monitoreando la situación y para cualquier aclaración adicional, llamar por teléfono: **+38 0365 826333** o por correo electrónico: **aic@aicnet.it**.

Apreciamos la comprensión y la paciencia y queremos que todos estén seguros y saludables y junto con sus familias.

Situação das Atividades do Grupo AIC

Nós da AIC gostaríamos de agradecer aos nossos clientes, fornecedores e colaboradores, pelo suporte dado neste período difícil e de incertezas. Temos Certeza de que apesar das limitações provocadas por essa nova realidade, juntos faremos o nosso melhor para atingir objetivos e desafios.

De acordo com decreto do Presidente do Conselho de Ministros (DPCM), a AIC Automazioni Industriali Capitanio, suspendeu as atividades de sua fábrica em Brescia, Itália. Até o momento nenhum de nossos colaboradores se contaminou com o COVID 19. A saúde de nossos colaboradores, clientes e parceiros será sempre nossa prioridade, seguiremos trabalhando duro para mitigar possíveis riscos de contaminação.

Graças às medidas de precaução implementadas anteriormente, nossa equipe permanece disponível para fornecer serviços e conhecimentos de alta qualidade.

- Quase o total de nossos colaboradores na Itália estão trabalhando remotamente desde de suas residências, disponibilizamos ferramentas de software para poder atender nossos clientes em todo mundo de forma remota, porém com a máxima eficiência possível neste momento
- Nossas unidades na Índia, Brasil, Estados Unidos, Ásia e Europa(Itália, Espanha e Alemanha), estão à disposição para atender as necessidades de todos os nossos clientes.

Estamos constantemente monitorando a situação e a disposição para qualquer esclarecimento adicional, chamar através do telefone: **+38 0365 826333** ou pelo email: **aic@aicnet.it**.

Agradecemos a compreensão e paciência e desejamos que todos estejam seguros e com saúde ao lado de seus familiares.

Операционная деятельность AIC.

Мы хотим поблагодарить всех клиентов и поставщиков по всему миру за вашу поддержку в этот непростой период. Вместе мы продолжим прилагать все усилия для преодоления сложившихся обстоятельств и достижения новых целей.

В соответствии с Указом Президента Совета Министров Италии (DPCM), Automazioni Industriali Capitanio приостановил работу в производственном цеху. В настоящее время, никто из сотрудников AIC не был протестирован положительно на COVID-19. Здоровье и безопасность наших сотрудников, клиентов и партнеров остаются самым важным приоритетом компании, и мы прилагаем все усилия, чтобы оценить и снизить любые риски.

Благодаря ранее принятым мерам, наша команда продолжает предоставлять высококачественные услуги:

- В Италии почти все наши сотрудники работают удаленно, имея возможность работать со всеми клиентами по всему миру.
- Наши международные офисы открыты и полноценно функционируют. Кроме того, наши инженеры также присутствуют в Индии, США, Бразилии, Ближнем Востоке и Европе (Италия, Испания, Германия).

Мы постоянно следим за ситуацией и готовы ответить на все ваши вопросы. Контактная информация AIC остается прежней – тел. **+39 0365 826333** и email **aic@aicnet.it** .

Спасибо за Ваше терпение и понимание!
