

AIC North America Corp. is now an active member of ISNetworld

We are pleased to announce that AIC North America Corp. is an active member of ISNetworld. We have centralized our compliance data within ISNetworld and streamlined our reporting process, making it easier for our Customer to prequalify our company.

One of our most valued customers, Nucor, have evaluated AIC North America Corp through ISNetworld. We have made the following information available to our clients in an electronic format, which is available online 24 hours a day.

- Health, Safety, and Environmental Questionnaire
- Insurance Certificates
- OSHA Forms
- Experience Modification Rate (EMR) Letters
- Written Health, Safety, and Environmental Programs
- Training Information
- Reporting of Hours and Incidents by Month

ISN's Review and Verification Services (RAVS) verifies and evaluates our health, safety, and procurement information to ensure regulatory and client specific requirements are met.

We encourage you to contact ISN at (800) 976-1303 or visit their website: www.isnetworld.com

AIC è un system integrator globale che fornisce soluzioni di automazione avanzate e su misura per l'industria siderurgica, con l'obiettivo di migliorare costantemente l'efficienza, la competitività e la sicurezza dei processi di produzione. Con più di 800 applicazioni in tutto il mondo e 40 anni di storia, AIC può vantare un'esperienza unica sia in progetti greenfield che di revamping nel campo dei laminatoi per prodotti lunghi e delle macchine di colata continua.
